

Terms and Conditions of Sale

From 1st January 2011

By placing an order for this project, you agree to the following terms and conditions of sale.

1. The quoted price for the work is shown in the quotation and is subject to VAT at current rates.
2. Changes to the scope of the project once the order has been placed will require a written change request to be submitted to Aardsparks Electrical and are likely to incur additional cost.
3. Changes to the scope of the project made prior to placement of the order should be made in writing and may require the quotation to be revised.
4. Aardsparks Electrical will remedy any faults with the system that are brought to their attention within 15 days of project completion free of charge.
5. The balance of the invoice becomes due upon the 15th day after work has been completed.
6. Invoices paid within 7 days of the invoice date will attract a discount of 10% of the **net** invoice total.
7. In the event of late payment of the invoice balance, Aardsparks Electrical reserve the right to charge interest on the overdue amount on a daily basis. Should this right be exercised, interest will be charged in accordance with the Late Payment Legislation in force at the time.
8. For some projects a deposit may be required, if this is the case the amount will be advised as part of the quotation and work will be scheduled once cleared funds have been received.
9. Payment can be made as follows:
 - Cheque made payable to 'Aardsparks Electrical'
 - BACS Payment quoting invoice number as reference.
 - Account: Mr JHP Brown T/AS Aardsparks Electrical
 - Sort Code: 20 20 46
 - Account Number: 83269876

Any deposit made under these terms and conditions will be used to procure materials for the project and to cover any necessary expenses during the execution of the project at the discretion of Aardsparks Electrical. The deposit in no way alters the approximate project timescale which will be given at such time that the order has been placed and start dates have been agreed with all contractors involved.

Aardsparks Electrical reserves the right to alter the approximate project timescale due to unforeseen circumstances up to a maximum of 30 days.
